ALLISON PREACHES AT UNION SERVICE

"GOD IN THE LIFE OF A NATION" IS SUBJECT.

MISS LEONARD SOLOIST

Annual Community Meeting Is Held Wednesday Night at the Baptist Church.

The annual Community Thanksgiving service was held Wednesday at the Baptist Church. Miss Anne Leonard was the soloist of the evening, and sang "Send Out Thy Light," by Woller, and "Thanks Be To God." Dr. D. J. Thomas played the accompaniments.

The sermon was preached by the Rev. S. P. Allison, pastor of the Presbyterian Church on the subject "God In the Life of a Nation." His text was from I Samuel 12:24 "Only fear God and serve Him in truth with all your heart; for consider how great things He hath done for you."

In his sermon, Mr. Allison said "Thanksgiving is the day on which church and state are most definitely linked together, when the nation pauses to consider what place God has in the life of a nation. It was on this theme that the prophet Samuel was talking in his farewell address to Israel, after Saul had been chosen king, when he said "I will instruct you in the true and right way..... serve God with all your heart."

"Samuel began by turning their eyes to their past. When an enslaved people in Egypt, God had sent Moses to help them. God had given them a land and great victories and success. But when they had wandered from God, punishment and failure had resulted. In more modern times the same thing is true. The worst period in France was that of the French Revolution. Nothing was saved. They tried to do without God. They abolished the Sabbath and other institutions of religion. They were a nation gone mad. Russia is another example. When God was put into the background, a tryanny worse than that of the czars resulted. Give a nation education, natural resources, skill, science, whatnot, and leave God out and that nation becomes a curse and a menace to the world. The bright spots of the world are where God is given the largest place in the life of a nation.

"Thus the past and the present speak with one voice, for the future "Fear God and serve him with all your heart."

"The call of the prophet to Israel was a call from materialism, and religion empty of spiritual warmth, and cold with formalism. We are as Americans often accused of being materialistic. It has been the menace of all nations.

"It was also a call to be distinctive. They were God's chosen people, and knew God as other nations had not been able to find Him. In business each merchant wants to be different from his competitor; In industry there are vocational placement men whose task it is to discover the distinctive ability of each man, and assign the work for which he is best fitted to make a success. The Jews wanted a king in order "to be like other nations." But God was their king and their history had been far more glorious than the other nations. What they really were doing was moving down grade. The average level of mankind is always below the level we ought to be seeking. The only one we ought to try to be like is God, and like Him as revealed through Christ, whose coming to make God clear to men, in a month we will celebrate.

"It was also a call to put God in the foreground of life. God had been recognized as the supreme and only ruler of the Jews. Their form of government was called theocracy, God-rule. Now they wanted a king, in order to put God a little further away. Remote authority is always less felt and more easily evaded than authority right at hand. A man will be more likely to speed when no motor cops in sight, than when he sees officers patrolling the highway. The Jews wanted to be like other nations. With God in the foreground there was a constant reminder that they were going the wrong direction.

"Samuel's address on putting God in the national and individual life was complete in that he named the motive. It was "Consider how great things God hath done for you." America's blessings cannot be numbered. Compared with the rest of the world we stand out as preeminently favored. This puts us under a heavy obligation of gratitude. A true son or daughter delights to be able to take an aged father or mother into their home and care for them, for they consider how much a father or mother has done for them. Babyhood, childhood, the advantages given in youth, all come to mind, and they delight to have the opportunity to repay. We are sons and daughters of God. We ought to live as true sons. We ought to consider how great things God hath done, and ask, "What shall I render unto God for all His benefits?"

"We have many things wrong in our nations, which could be right. They are wrong only because we let them be so. We could change them if we used the resources available. Thanksgiving calls us to put God first in the life of each of us, and so into first place in the life of our nation, for the blessing of the world."

BEAR CATS BATTLE TO SCORELESS TIE

END SEASON OF TEN GAMES BY PLAYING TARKIO YESTERDAY

TEACHERS' AVERAGE .400

Tarks Put Up a Game Fight—Masters' Thirty-five Yard Run Is Called Back

In the annual Thanksgiving fray on the Tarkio gridiron, the Maryville Bear Cats ended their season of ten games by playing the purple sweatered Tarks to a scoreless tie. Although doped to lose the Tarks put up a game fight, fighting a cautious defense most of the time. Twice in the second half the Maryville goal was in danger the Tarks falling upon their punts within the 10-yard line but the Bear Cats carried the ball out of danger.

In the third period Masters made a sensational run of 35-yards but was called back by Gowdy, headlinesman, and a fifteen yard penalty added. In first downs the Bear Cats registered nine to the Tarks three. The first half was a kicking contest between O'Banion and Kyle. O'Banion attempted a drop kick in the first quarter from the 45-yard line but it fell under the crossbar by a scant foot. Tarkio tried a drop kick in the third quarter from the 30-yard line but Richards blocked the kick and Maryville recovered.

A good sized crowd witnessed the game with one section filled with Bear Cat rooters. Two stunts were put on by the Tarks between halves and a good spirit was shown by the supporters of the two teams. Delemeter of Nebraska and Blackman of Ohio State, the referee and umpire picked by Tarkio, failed to show up and Morton of Creighton, head linesman, was forced to referee the game. L. M. Eek of Maryville was pressed into service as umpire and Gowdy, of Tarkio, was, of course, drafted into service as head linesman and timekeeper.

This gives the Bear Cats a final rating of .400 in the conference with two games won, three lost and one tied. Missouri Valley won the championship when William Jewell defeated Missouri Wesleyan yesterday.

Captain Kyle starred for the Tarks while Masters, Foreman and Richards performed admirably for the Bear Cats. Wilson at half called signals for the game. The line-ups:

Maryville		Tarkio
Hay	R. E.	Gerlash
Hays	R. T., L.	Barr
Graham	R. G.	Rowland
Kirby	C.	Nicholl
Pittman	L. G.	Wilkens
Richards	L. T.	Law
O'Banion	Q. B.	Kyle (Capt.)
Wilson	H. B.	Douthirt
Masters	H. B.	Benham
Foreman, (Capt.)	F. B.	Kruse

Irene Castle Tremanie Is Married Once More

Chicago, Nov. 30.—Irene Castle Tremaine, dancer, was married here last night to Frederick McLaughlin. He is the third husband of the famous dancer.

McLaughlin is a son of the late coffee king and is known in the society of a half dozen cities as a polo star. The marriage took place in McLaughlin's bachelor apartment. McLaughlin is said to be a millionaire several times over.

MAYSVILLE WINS FROM MARYVILLE

DEKALB COUNTY TEAM ANNEXES HIGH SCHOOL FOOTBALL TITLE

FINAL SCORE IS 9 TO 7

Superior Weight Of Opponents Scores Winning Touchdown In Last Period Of Yesterday's Game

The hard fighting, smashing, speedy green and black eleven of the Maryville High School lost the championship game yesterday to their heavier, heady, clever opponents, the gridders from the Maysville High School. The final count was 9 to 7.

Playing on a field covered with snow, the gridders of the two schools fought through three fairly even quarters, but in the final period, the overweight of the Maysville luggers began to tell and the locals could not withstand the hard-hitting backs of the DeKalb County aggregation.

Maryville kicked off to Maysville and the latter team started a dangerous attack but the Joe Flint pigskin warriors fumbled and it was Maryville's ball on the 20-yard line with first down.

Willoughby smashed through the line for a substantial gain and on the next play, the star quatrerback of the local eleven plowed through and over the Maysville goal line. Ogden added the extra point. Honors were about even in the remaining part of the opening quarter.

In the second period, neither Maysville or Maryville had the ball in threatening territory, but as the first half neared the close, Ogden skirted right end for a 25-yard gain, carrying the ball in Maysville territory.

Soon after the beginning of the third quarter, the local line held like a stone wall when Maysville possessed the ball on Maryville's 2-yard line. The ball was carried out of danger, but a penalty for holding on the part of Maryville, sent the pigskin back within a few inches in the Maryville line, with the local boys in possession of the ball. Fearing a fumble, Willoughby made an intentional safety, giving Maysville two points and bringing the score to 7 to 2, Maryville still on the long end.

In a punting duel, Maysville took possession of the oval in its own territory, but Bourette, the flashy quarter of the DeKalb County outfit, skirted left end for 25 yards and the ball was on Maryville's thirty-five yard line. Jones and Duse smashed through the local line for five yards each, bringing the oval down to the 25 yard line. The Maysville quarter dashed around right end to the 11 yard line, making the first down.

But there the Maryville line again held like a stone wall and the locals carried the ball out of danger. Smith and Willoughby each made 5 yards, but on the next play the Maryville tedm was penalized for holding and the ball brought back to the 1 yard line. It was here that the Maysville outfit gained their first two points, via the intentional safety route. Willoughby granted the safety.

In the final period, Bourette skirted right end for 15 yards, and Jones faked through for 22 more, bringing the ball to Maryville's 3-yard line. Only 1 yard was made in the next two plays, but Bourette smashed through on the last down and the ball was over. Duse added the seventh point, and the score was 9 to 7, Maryville on the short end.

In the rest of the final period, the ball was usually in the locals' possession, but they could not bring the pigskin to within striking distance of their opponents' goal line. As the final whistle blew, Maysville intercepted a Maryville pass on the locals' 20 yard line.

As the whistle sent the game into history, it also awarded the Northwest Missouri high school football title to the Maysville luggers—a clean, brainy, scrappy bunch of luggers who well merit the coveted championship.

About 1200 loyal football fans were at the Western League baseball park yesterday afternoon to see the championship conflict. The local band added considerable zest to the occasion.

The ground was slippery, considerably slowing up the play for both elevens. However, the game furnished thrills aplenty for the spectators. The Maryville team put up a stiff, clean battle against their heavier opponents. It was simply a case of a good heavy team winning from a good light one.

Football Scores Received

The account play-by-play of the Missouri-Kansas football game was received yesterday afternoon by The Democrat-Forum and over 100 people heard the game over the radio which was furnished through the courtesy of Harry C. Todd of the Hanamo Telephone Company. When the first reports were received snow commenced falling here, but it did not keep the people from standing outside of the Democrat-Forum office to hear the game.

Reports from the Bear Cat-Tarkio College game at Tarkio and the Maryville High School and Maysville High School game at St. Joseph were received at the end of each quarter by The Democrat-Forum. Many telephone calls were answered by The Democrat-Forum during the afternoon.

TWO KILLED WHEN HIT BY AUTO RACE

ACCIDENT ONE OF WORST IN AUTO RACING HISTORY.

KILLED BY SAME CAR

George L. Wade, Kansas City Millionaire, And William Hughes, Newspaper Man, Are Victims.

Los Angeles, Nov. 30.—Acclamation today of Bennett Hill as the victor of the annual Thanksgiving 200-mile speed classic was subdued by one of worst accidents in the history of motor car speed races as the aftermath of the classic on the Beverly Hills track yesterday.

The event took a toll of two dead. George L. Wade, Kansas City millionaire racing enthusiast, was struck down by the racing car driven by Harry Hartz as the race was about to start, and did not live to learn that his car, piloted by Harlan Fengler, finished fourth in the race. He died an hour after he was struck.

William Hughes, veteran newspaper photographer of Los Angeles was the second victim of the annual speed classic, being killed by the same car that cost the life of Wade. Hughes was standing in front of the press box, attempting to snap a picture, when Hartz made an unexpected drive from the starting line. His body landed seventy-five feet from the spot where he had been hit, crushed and broken.

In killing Hughes, the car took a wide sweep at Wade and the latter's body was thrown with terrific force against the wooden supporting wall and he was so dangerously injured that he died an hour later.

An investigation of the accident was launched by the sheriff's office today.

Hill, a dark horse in the race, drove a Dusenburg Special, and made an average speed of 112.45 miles an hour. There were thirteen entries in the race.

John Robison, 78, Dies at Burlington Jct.

John Robinson, 78 years old, died about 3 o'clock yesterday afternoon at the home of his daughter, Mrs. B. A. Jones in Burlington Junction. Mr. Robinson was up as usual but complained of a pain between his hsoulders. He gradually grew worse and a physician was called three times during the day. Death was caused by heart trouble.

Funeral services will be held Saturday afternoon at the Christian Church in Burlington Junction, conducted by the Rev. Ernest Taggart. Burial will be in the Ohio cemetery. The I. O. O. F. and Masonic Lidges will conduct the services at the cemetery.

Mr. Robinson's wife died about thirty-five years ago and for the last seventeen years he had made his home with his daughter in Burlington Junction. He is survived by two other daughters, Mrs. A. B. Croy of Stanberry and Mrs. Will Layton of Oklahoma City, Okla. The latter will not be able to come for the funeral. One sister, Mrs. Amelia Collar of Chillicothe, and a brother, Lewis Robinson of Stonewall, Okla., also survive. Mr. Robinson formerly lived near Wilcox.

Miss Lewis to Kansas City.

Miss Mary Lewis went to Kansas City yesterday morning to be the guest of her uncles, J. E. Arnold and Charles Arnold, until Sunday.

MUSIC LOVERS TO HEAR RARE TREAT

RHONDDA MALE GLEE CLUB SINGERS TO APPEAR IN CONCERT

ARE FOURTEEN SOLOISTS

Program To Be Given December 12 At College Auditorium—London Paper Comments Favorably

Maryville music lovers are now looking forward to December 12 when the Rhondda Welsh Male Glee Singers will give a concert in Maryville at the College auditorium. Only by an open date between their St. Joseph and Lincoln engagements were these singers able to be brought to Maryville.

The Rhondda chorus is composed of fourteen male voices, all soloists. In Wales, singing by men is as much a national sport as baseball in America. The men in this chorus were selected in competitive contest throughout all Wales.

Just before coming to America last month, this Welsh choir sang in London on October 25 and according to the London papers were given a tumultous reception. The London Advertiser the following morning said of the concert:

"Rarely has London heard such choral music as that rendered last night by Professor Tom Morgan and his Welsh choir. The people of London turned out in large numbers to hear them. So large numbers that the Methodist Church Auditorium was crowded to the topmost seat of the gallery. What better tribute could be paid them?

"The choir is made up of fourteen male voices each of which is outstanding as a solo voice. Many solo numbers were heard last night, exquisite numbers, but it was the beautiful tonal effects secured in the choruses which pronounced the choir to be indeed a distinguished company of singers.

"Robert Hopkins, baritone, had one of the lovliest voices of the whole ensemble. Another exceedingly fine baritone voice was that of Walter Evans. When Samuel Lazarus sang, "Macushla" he revealed a tenor which was true and sweet. Other equally fine voices were heard in solo numbers. Truly they are a notable company of singers."

"It will be well worth the admission price to hear these artists sing, "Men of Harlech," the Welsh national air, and "To Arms," said Chas. R. Gardner, dean of the Conservatory of Music at the College this morning. Mr. Gardner feels that Maryville is quite fortunate in having an opportunity to hear these singers.

Reserved seats will go on sale at Kuchs Bros. at 2 o'clock Saturday, Dec. 8. The College auditorium is expected to be crowded to capacity as male voices are very popular in Maryville.

Last Showing of Farm Bureau Films Tonight

The two farm bureau films, "How to Save the Crops From the Chinch Bugs," and the "Baby Beef Show, St. Joseph," will be shown for the last time in Nodaway County tonight at the Centenary Church, southeast of Graham.

R. A. Kinnaird, county agent has been showing these two films in nearly every community for the last six weeks in a project of the farm bureau for the extermination of the chinch bugs. At the various communities where these films have been shown Mr. Kinnaird has given some explanation as the films were shown and has conferred with the farmers on the various means of eliminating the pests.

Mr. Kinnaird showed the films at Hopkins Wednesday night at the theater to a small audience. The films will be shipped away tomorrow.

Treasury Certificates Go on Sale Tomorrow

The new 1924 series of Treasury Saving Certificates have been received at the Maryville postoffice and will go on sale tomorrow. They will run for five years.

Holders of 1919 War Savings Stamps may convert their stamps to these certificates at once. They are in denominations of $25, $100 and $1,000 and are discounted securities, selling for $20, $80 and $800.

Miss Martha Mansfield Dies of Burns Received

Film Star Was in San Antonio, Playing Leading Role in, "The Warrens of Virginia."

San Antonio, Texas, Nov. 30.—Miss Martha Mansfield, film actress who was seriously burned here yesterday, died shortly before noon today.

Miss Mansfield's burns were considered at first serious but not likely to prove fatal, but early today she took a sudden turn for the worse. No funeral arrangements have been made, awaiting word from her mother in New York.

Miss Mansfield was here playing the leading role in a film entitled, "The Warrens of Virginia."

FARM MEASURES IN TENTATIVE STATE

SENATOR CAPPER OUTLINES AGRICULTURAL PROGRAM TODAY

TAXES CHIEF PLANK

Farm Bloc Members Desire To Shift More Of Burden To Those More Able To Bear It

Washington, Nov. 30—The interests of the American farmers will be amply protected in the coming session of Congress under a tentative program of legislation drafted today by the leaders of the two Congressional farm blocs.

Revision of tax laws, switching more of the tax burden from the poor to the rich, and heavy reduction of transportation costs, will be the chief planks in this program, according to Senator Arthur Capper, Republican of Kansas, and chairman of the Senate farm bloc.

The program will be formally adopted at a meeting of the farm bloc members as soon as Congress convenes.

Capper announced the tentative legislative program favored by leaders in all sections of the country. It included:

(1) Revision of tax laws with the reduction of taxes of incomes under $10,000 as the immediate goal for the creation of heavier taxes on all inheritances and those securities now listed as "tax exempt."

(2) Partial revision of the Esch-Cummins act with the repeal of the so-called "rate guaranty" clauses, and such other legislation as is necessary to bring about lower freight rates.

(3) Creation of an agriculture export corporation, with a probable capitalization of $100,000 to expand export trade.

(4) Endorsement of the co-operative marketing movement by the providing of government credit.

While these will be the chief farm bloc demands, Capper said, numerous other measures would be supported which failed of passage in the last Congress.

CRIMINAL RECORDS ARE KEPT ON FILE

WILLIAM J. BURNS HEAD OF IDENTIFICATION BUREAU OF GOVT.

HOPE TO CHECK CRIMES

Nations Of World Are Giving Assistance In Establishing International Clearing House System

Washington, Nov. 30—The national capital has become the world's greatest clearing house for information of identification of criminals.

The finger prints and bertillion measurements of more than a million persons, who either are criminals or have been arrested on suspicion, are now on file in the bureau of criminal identification, and in the department of justice and this large collection is being added to daily, it was learned today.

William J. Burns, chief of the bureau of identification, is in charge. He announced today that arrangements have been completed with virtually every foreign country, whereby these governments will promptly transmit records and information concerning their chief criminals, thus centering in Washington an international crime prevention clearing house.

Burns believes that such an agency will add materially in checking crime not only in the United States but throughout the world.

U. S. May Not Go to Reparations Parley

New Plan Regarded by Administration Officials as Weak Substitute for Hughes-Curzon Proposal.

Washington, Nov. 30.—There is little liklihood of the United States accepting the "invitation" of the Allied reparations commission to investigate Germany's capacity to pay indemnities, it was declared here today by government officials.

The new plan, brough forward by the commission, is regarded by administration officials as a weak substitute for the so-called Hughes-Curzon plan which France rejected and which called for an impartial inquiry by economic experts into Germany's financial and economic structure.

Gov. McCray Indicted by Indiana Grand Jury

Will Probably Be Arrested Monday and Bond Fixed At $25,000—Eight True Bills Returned

Indianapolis, Ind., Nov. 30—Governor W. T. McCray of Indiana whose finances have been under discussion for many weeks, was indicted by the Marion County grand jury in its report to the circuit court today.

After the indictments were returned, Judge James A. Collins announced that Governor McCray would not be arrested until Monday, and bond would be fixed at $25,000.

The Indiana governor was indicted on eight separate true bills. The eighth bill against McCray charged that on March 8, 1923, he did "fraudently publish, pass and endorse forty nine alleged promissory notes aggregating $241,176.

The grand jury session to investigate McCray began on the request of the Marion National Bank and one true bill dealt with McCray's dealings with that bank. The indictment charged that McCray, on August 3, gave the Marion bank checks in denominations of $165, $5,000, and $1,500 on the Discount and Deposit Bank of which he was president and that "he knew he didn't have sufficient funds in the said bank."

The fifth indictment charged the making of a false statement and using the same to obtain credit and obtaining loans from several banks.

Dr. Curl to Preach at Arkoe Sunday

Dr. O. L. Curl will preach at 11 o'clock Sunday morning at the Arkoe church when his subject will be "Christ Is All and in All." This is an answer to the modern doubter's question about the existence and personality of God in which the higher critic's methods are used but his conclusions are refuted. This will be Dr. Curl's regular monthly appointment with the Arkoe church.

CURSING OR BLESSING?—Cursed be the man that trusteth in man, and maketh flesh his arm, and whose heart departeth from the Lord.

WHERE CUSTOMS COME FROM

Many of the customs of civilized people come of savage origin. The Hannibal Courier-Post says:

"When you meet someone on the sidewalk, why do you pass to the right instead of to the left? Because you learned in childhood that such is the custom. But why is it the custom? Artist Satterfield answers:

"Two free historic cave-men have met on a trail through the jungles. They are suspicious of each other, watching for the first sign of a possible attack. The path is narrow. Each keeps to the right so that the right hand—carrying the war club—will be where the stranger has least opportunity for grabbing it, preparatory to swinging his own murderous club.

"So too, came the custom of extending the right hand in greeting, for a handshake. The offering of the right hand, without its weapon, signified trust.

"Ancient days are forgotten. But their customs live on."

Ed Howe, the Atchison Kansas, editor says: "Half the things we abuse, we really admire. We all abuse capitalists, yet every one proves his respect for capitalists by trying to become one."

A British paper declares bootlegging is our second greatest industry. It is an infant yet. All it needs is "protection," but, if the internal revenue agents can capture or sink a few more British "rum runners" off the Atlantic coast, perhaps the industry won't be so big as it is.

Kansas Man Wishes to Meet Barackman Again

Vernon Davis Of Glen Elder Sends Challenge—Wrestled Here Early Part Of the Fall

Vernon Davis, a wrestler now living in Glen Elder, Kan., issues a challenge to Mervin Barackman through the Democrat-Forum. During the early part of the fall Davis met Barackman here and in a hard fought match was defeated. He now sends the following letter:

"On my last visit to your town I was promised a return bout with Barackman, whenever I felt that I cared to meet him. I am in tip-top shape now and wish you to publish a challenge to Barackman or any middleweight wrestler that you or the members of the Legion Post might choose for me to meet.

"Please publish this challenge and 'You choose'em and I wrestle'em. Yours truly, Vernon Davis."

At Davis' appearance here in his tussle with Barackman it was apparent that he knows the mat game. He is an all-around athlete and a clean sports[illegible]. He said when he was here that he had been wrestling under the auspices of the American Legion at Glen Elder, Kan. Here's another chance for the local middleweight.

Celebrates 75th Birthday.

Last Sunday was the 75th birthday of Edward C. Wolfers and the event was very happily celebrated at the home of his son-in-law, Chas. E. Donlin, Mrs. Donlin serving a turkey dinner to the following guests: Mrs. Chas. A. Wolfers and daughter, Mary, and Mr. and Mrs. Roy Wolfers of Pickering; Mr. and Mrs. Fred Wolfers of Maryville; Mr. and Mrs. Edward C. Wolfers and H. C. Clutter. The honor guest, as most Journal readers know, came to Hopkins when the town was in its infancy, being a passenger conductor for the K. C. & C. B. & Q. R. R., when locating here in 1872. A few years later he engaged in the mercantile business and later in the banking business, at present being president of the Bank of Hopkins and still takes an active interest in the management of this institution. He has always been a persisten as well as a consistent booster for Hopkins, giving liberally of his means for the advancement of the community, never being too busy to do missionary work when in his judgment it is needed. Perhaps no man in the county has done more for the good roads campaign than Mr. Wolfers, being a state figure in the good roads movement and his many friends, not only in this immediate vicini'y, but throughout Northwest Missouri, congratulate him on being so vigorous at this time in life. He would easily pass for a man of fifty and feels just as young as he looks. In politics, Mr. Wolfers is a Republican, and was urged by his party two years ago to make the race for the state legislature but as he has no desire for such honors, he declined. —Hopkins Journal.

Gifts for a Hostess

A pretty set of card table numbers, especially when made by the donor, will please every hostess. Here is a set, made of heavy black paper, cut into three-inch squares and having pictures of girls' heads pasted against the painted numbers. A fine silk cord, supporting a tiny pencil, is fastened through a hole punched in a corner of each card.

First Social Meeting.

The B. B. Club of the Scudder district held its first monthly social meeting of the winter last night at the home of Mr. and Mrs. Frank Hull, south of Maryville. The entertaining features were a spelling contest, guessing games and pinning the tail to a turkey while blindfolded. The latter created much merriment. The prize winners of the evening were Mrs. John Erickson, Fred Wyatt, Misses Nellie and Nellie Russell and Charline Moore. Refreshments of cake, coffee and fruit salad were served. Those present were Mr. and Mrs. Frank Gray, Mr. and Mrs. W. C. Brown, Mr. and Mrs. Fred Wyatt, Mr. and Mrs. John Erickson, Mr. and Mrs. Charles Moore, Mrs. Marion Ripley, Mrs. Granville Gray, Mr. and Mrs. Ed Russell, Mr. and Mrs. Frank Hull, Misses Blanche and Mabel Erickson, Lucile, Blanche and Charline Moore, Lucile Brown and Charles Moore, Frank Ripley, Harold and Junior Brown, Curtis Wyatt and Curtis Dean Gray. John Porter Announced For Sheriff

Barnard Bulletin)

J. L. Porter of Maryville was in town Monday of this week and called at the Bulletin office for a visit. While here, he made the statement that he is a candidate for shefirr on the Democratic ticket, for the primary of August 1924.

Johnnie is a product of the south end of Nodaway County and comes from a good family. He said that he was running on a strictly dry platform.

Campbell May Run For Sheriff

(Barnard Bulletin)

Unconfirmed reports are frequently heard to the effect that L. B. Campbell will be a candidate for sheriff on the Democratic ticket, subject to the decision of the Democratis primary in August 1924.

Lowell, as he is known by the entire community, son of Judge Jim Campbell and wife, was born on a farm east of the Maple Grove School house and four miles west of Barnard, January 1877. His entire life has been spent in this community, either on the farm or in business in Barnard. He received his early education in the rural schools of the community and the Barnard High School, being a member of the first graduating caiss, afterward spending one year in college. He was married to Ollie Alkire, daughter of Mr. and Mrs. B. A. Alkire of Maryville. To this union two children were born, Mrs. Lloyd Heifner of Maryville and W. D. (Buck) Campbell of Barnard.

Lowell has always taken an active part in the county politics but has never asked for county office. He has esrved as collector of White Cloud Township and since moving to Barnard has served for the past several years as member of the Democratic County Committee and was a delegate to the Joplin convention in 1920. He is serving his third term as Mayor of Barnard.

Should Lowell throw his hat into the ring as his friends say he will, he will be a strong candidate as his personality and wide acquaintence will make him votes where ever he goes.

1,000 Farmers Favor Co-operative Contract

Of Marketing At Meeting Of Union—Upon Adjournment Many Farmers Sign Contract

Columbia, Mo., Nov. 30—Headquarters of the Missouri Farmers' Association announced here that more than 1,000 farmers attended the Union, Missouri, "Producers' Contract" meeting and unanimously adopted resolutions favoring the contract plan of co-operative marketing. Upon adjournment many farmers signed the contract. Officers of the Association had not provided sufficient number of clerks and consequently a large number of farmers were unable to sign the contract at the close of the meeting.

Speakers at the Union meeting were, Judge William L. Steiner, President of the Missouri Farmers' Association, George "Cotton Top" Kelley, vice-president; William Hirth, Congressman Clarence Gannon, of the Ninth Congressional District, and Father Sherman, a prominent Franklin County Catholic clergyman who urged the farmers to sign the contract.

The meeting also adopted resolutions expression gratitude to the United States Department of Agriculture and the Missouri State Marketing Bureau both of which co-operated in preparing the contract.

Before the contract meeting, Judge William L. Steiner was re-elected for the fifth consecutive term as President of the Franklin County Farmers' Association, and O. C. Lynch was elected vice-president.

The State Association, following the meeting, made plans for intensive contract campaigns to begin at Washington and New Haven.

$12.30 IS COST PER CAPITA OF STATE

MISSOURI TOTAL AMOUNT IS $42,232,270 IN 1922

REVENUE IS $26,870,572

Excess Is Largely Due To Payment Of $14,000,000 Soldier Bonus Warrants

According to an announcement made this morning by the Department of Commerce, the costs of government for the state of Missouri for the fiscal year which ended December 31, 1922, amounted to $42,232,270, which was a per capita cost of $12.30. In 1917 the per capita cost was $3.85, and in 1914, $3.05, the totals for these years being $13,012,144 and $10,204,123, respectively. The per capita costs for 1922 consisted of expenses of general departments, $11.58; payments for interest, $0.09; and for outlays, $0.64, mere than fifty per cent of which was for state schools.

The total revenue receipts for 1922 were $26,870,572, or $7.88 per capita. For the fiscal year the per capita excess of government costs over revenue receipts was, therefore, $4.48. This condition is largely due to the payment of more than $14,000,000 soldier bonus warrants.

In Missouri, property and special taxes represented 40.6 per cent of the total revenue for 1922; 36.3 per cent for 1917; and 30.6 per cent for 1914. The increase in the amount of property and special taxes collected was 54.6 per cent from 1914 to 1917, and 130.9 per cent from 1917 to 1922. The per capita property and special taxes were $3.18 in 1922; $1.40 in 1917; and $0.92 in 1914.

Earnings of general departments, of compensation for services rendered by state officials represented 25.9 per cent of the total revenue for 1922; 35.3 per cent for 1917; and 25.2 per cent for 1914.

Business and nonbusiness licenses constituted 20.6 per cent of the total revenue for 1922; 22.9 per cent for 1917; and 35.6 per cent for 1914. Receipts from business licenses consist chiefly of taxes exacted from insurance and other incorporated companies, while those from non-business licenses comprise taxes on motor vehicles and amounts paid for hunting and fishing privileges.

The net indebtedness (funded and floating debt less sinking fund assets) of Missouri was $8.83 per capita for 1922; $2.01 for 1917; and $2.19 for 1914. The state received $25,000,000 from the sale of bonds for the current year; $10,000,000 for roads and $15,000,000 for soldiers' bonus.

For 1922 the assessed valuation of property in Missouri subject to advalorem taxation was $4,616,138,671; the amount of taxes levied was $6,000,980; and the per capita levy was $1.75.

Police Searching for Tulsa Diamond Bandits

Tulsa, Okla., Nov. 30.—Police, detectives and private operatives today were searching for possible clues for the discovery of those engaging in the largest robbery here in years.

Thanksgiving dinner cost two diamond salesmen here $60,000 when robbers entered their room and escaped with unmounted stones. In their hurry to make their getaway, the robbers overlooked other stones valued at $200,000.

The gems were taken from the room of Charles Mednikow, salesman for a Memphis diamond wholesale firm. The stones were fully covered by insurance.

Kellogg's Bran gives permanent relief because it is ALL BRAN!

Every member of your family will enjoy better health—eat better, work better, sleep better—if they eat Kellogg's Bran regularly. Its natural, positive work for health is actually a blessing to humanity! Kellogg's gives permanent relief from constipation because it is ALL BRAN! It is scientifically prepared to relieve suffering humanity from constipation.

Kellogg's Bran cleans and purifies the intestinal tract; it clears away toxic poisons and frees you from the dangers of many dreaded diseases, as well as from sick headaches, rheumatism and mental and physical depression. A week's trial of this great nature food will prove that its work for health is wonderful!

Consider Kellogg's Bran as a food. It is not a laxative nor a medicine. Bran is the outer coating of whole wheat and contains such nourishment factors as mineral salts and other elements vital in sustaining life!

Kellogg's Bran is cooked and all ready to eat. It is delightful as a cereal, or sprinkled over your favorite hot or cold cereal. Another popular way to eat it is to cook or mix it with a hot cereal. In preparation, add two tablespoonfuls of bran for each person.

Delicious bakery batches are made with Kellogg's Bran. Recipes are printed on each package.

DO TWO THINGS—Eat Kellogg's Bran each day for permanent relief from constipation and be certain to eat at least two tablespoonfuls; in chronic cases, with each meal.

First-class hotels, clubs and restaurants serve Kellogg's Bran in individual packages. Ask for it at your restaurant. All grocers.

ABOUT LANDSCAPING

Perhaps you are undecided as to what should be planted on your grounds to supply that "something" that you realize is lacking; or possibly you are getting ready to start the planting of a new place.

In either case, if you desire some assistance in planning your planting for the best landscape effect, we will be pleased to look your grounds over during the winter months and offer suggestions. We have planned the plantings of many beautiful homes, for which service we have never made any charge. Likewise, we have been frequently consulted by commercial fruit growers regarding their orchard problems. Our business is a general nursery line, and any information relating to planting, care and management will be gladly given. We are going to serve the best interests of our home people so far as they give us the opportunity; in addition to supplying them with the best of everything in our line at very much more reasonable prices than the same grades of stock would cost them from elsewhere.

Practically every "landscape man" who calls and solicits your business, is merely a maker of plans, who secures your order—with your signature attached—at prices about three or four times what the stock is worth, and buys it where he can get it the cheapest. Most of them grow nothing, and have no investment whatever, their sole stock in trade being their ability to put up a good sales talk. And—saddest of all—not a dollar of this good money ever returns to Maryville, or Nodaway County.

Same Hen--- Fed Differently

Ordinary "chicken feed" will make a good hen lay two eggs a week. Purina will make the same hen lay four eggs a week.

So don't ask for "chicken feed." Demand Purina Chicken Chowder and Purina Hen Chow in checkerboard bags.

Please do not feed Chowder without Hen Chow or Hen Chow without Chowder—to do so upsets the scientific balance and loses you extra eggs. Feed as directed on the instructions with each bag and get more eggs.

PLANS FOR RUM RUNNING

Sir Broderick Hartwell, incumbent of an Irish title over 400 years old, has openly avowed his intention to promote a transatlantic rum-running enterprise in case the 12-mile limit is established, and, since the anchoring of a British ship outside the limit for the purpose of selling liquor to American rum-runners would be perfectly legal, his activity in promoting his projected enterprise in England by offering a guaranteed profit of 20 per cent or better is said to be embarrassing the government.

Pickering

(By Q. G. Null)

A deal was consummated last week through which Jas L. Carter became the owner of the C. J. Carmichael property in the southwest part of town. Mr. Carmichael has purchased a property in Hopkins and will move to it soon and Mr. Carter will then occupy the property he has purchosed.

Mrs. Dora Clayton of Casper, Wyo., who has been visiting at the home of her daughter, Mrs. Orlen Kelly for the past two weeks left Wednesday for Gilman City, Mo., where she will visit another daughter, Mrs. M. J. Quinlan.

Mr. and Mrs. Howard Null and daughter, Katherine and Misses Marie and Mildred Burks drove to Nodaway, Iowa last Sunday and spent the day at the home of Mr. and Mrs. M. J. Hull. Mr. and Mrs. Null returned home Sunday evening while the Misses Burks remained for a longer visit. Mrs. Hull is a sister of the Misses Burks and Mrs. Null.

The town tax books will be found at the Wray Hdw. Co., store for a few days. W. R. McKee is city collector and hopes to get the entire tax collected by the end of the year.

Mr. and Mrs. S. E. Jones entertained at dinner Thursday evening. Their guests being Mr. and Mrs. O. G. Null and Mr. and Mrs. Howard Null and daughter Katherine.

Mrs. B. C. Clayton was called to Van Meter, Iowa the latter part of last week on account of the serious illness of her mother Mrs. Lottie Payton of Van Meter. Mrs. Payton passed away the first of this week, after several days illness. She had visited at the home of her daughter here at different times and was known by quite a circle of acquaintances here. Mrs. Clayton will remain at Van Meter for a week or more before returning home.

A concrete example of the application of the Golden Rule was seen last Tuesday when fifty-seven men went to the Dale Wiley home east of Mozingo Valley and cribbed his entire corn crop of 2000 bushels or more before the middle of the afternoon. Mr. Wiley has been suffering recently from an infection in his left arm and then last week had his right arm broken while cranking a car. Mrs. Wiley has also been in very poor health all the year and is not yet able to get about without crutches. Mr. Wiley appreciates greatly the kindness shown him by his neighbors. A number of the ladies of the community accompanied their husbands and prepared a dinner for the entire crowd. It is needless to say it was a good dinner as the ladies of that community are noted for their ability in culinary art.

Sand is being hauled for a new culvert on the State highway just north of town as the culvert there is entirely too short for the maintainance of the grade. It is said another culvert will be put in farther north also which will be of great value in caring for flood waters in time of heavy rains.

The High School Boys' Basketball team took part in the tournament at Rosendale on Thursday and defeated the Hopkins team by a good margin, but lost to the Rosendale team by 9 points in the final game. They will take part in a tournament at Barnard on Friday.

School dismissed Wednesday evening for the remainder of the week on account of Thanksgiving holiday.

Methodist Church

The two older classes of young people will meet at the church at 2:30 p. m. Sunday to practice and arrange for some special music for the revival meetings.

Miss Bess Kemper's class had charge of the opening exercises at S. S. last Sunday and acquited themselves with credit. Their special stunt, a little skit on "What's the Matter with the Sunday School?" was a very fine bit of satire and was highly enjoyed by those fortunate enough to hear it.

The Myrtle Tree Father and Son banquet Friday evening was a success in every way. The good women prepared a feast fit for a king. About 40 men and boys partook of the supper in the basement and then went up stairs for "a feast of reason and flow of soul." A. B. Dowden was the efficient toastmaster and talks were made by J. B. Taylor, Profs. Geyer and Burr, and several others. Some of the boys spoke, showing plenty of natural ability. Myrtle Tree people have reason to be proud of their young folks.

Revival meetings at Pickering will begin Sunday morning. Evangelist Alfred Sturgeon of MaComb, Ill., will arrive Tuesday and take charge. Mr. Sturgeon is one of the best evangelists in the field and will give us fine service. He is not only a strong preacher of the Gospel, but leads the singing and visits every home in the congregation. We are expecting a great meeting. Service every evening at 7:30. "Come thou with us and we will do thee good.

Christian Church

A little snow ought not to keep you from Sunday school and church next Sunday. Remember the goal of 3000 in the Sunday schools of the county.

Also do not forget the prizes that have been offered in the school here and also in the county. A prize to the youngest child in Sunday school. One to the oldest person, one for the largest family present and one for the person who comes the farthest to Sunday school. Are you helping to win the prize or helping some body win it, both here and over the county?

The people are responding in great ways to the Christmas barrel that is to be sent to the Orphan's Home. If you have not done your part yet, get busy. The toys and other things should be in before Sunday night, December 2.

The Bazaar of the Ladies Aid will be held on Saturday, December 15th.

We are sorry to announce again that our meeting will not begin here until after the holidays because of some conflicting and some misunderstandings. Watch for further announcements concerning the meeting here. This should not keep you from winning couls in the manner suggested by Jesus. Pray and work for the meeting and for souls.

The Every Member Canvass will be taken on Sunday, December 9th if the weather is favorable.

The sermon for Sunday morning will be, "What Will You Do For Jesus?" Everybody welcome to Sunday school and church. Bring your friends.

COTTONWOOD ITEMS

The guests at Ward Carver's last Sunday were Mr. and Mrs. George Bloomfield, Mr. and Mrs. Bolten Neff and son, Ora.

Bolten Neff finished shucking corn last Monday.

Mrs. Alta Peery and Mrs. Ann Neff, spent last Wednesday at Bolten Neff's

Miss Flora Adkins has been on the sick list a few days, but is better at this writing.

Mrs. Amanda Thummel of Centralia Mo., visited with Mr. and Mrs. Ben Rogers several days last week.

Charles Hodges and Mrs. Ethel Irvin of near Coin, Ia., visited at the home of John Adkins Sunday afternoon.

Glen Ray finished husking corn for John Adkins last Thursday. He is now husking for John Farquhar.

Mr. and Mrs. Joseph McCord and daughter, Dorothy, returned to their home Monday. They have been staying at the John Adkins home for three weeks.

Mr. and Mrs. Jim Adkins and daughters, Martha and Mildred and Miss Cleda Brush were Sunday evening callers at the home of John Adkins.

Mr. and Mrs. William Clouse and family visited at the home of John Farquhar Sunday.

Have Kidneys Examined By Your Doctor

Take Salts to Wash Kidneys if Back Pains You or Bladder Bothers

Flush your kidneys by drinking a quart of water each day, also take salts occasionally, says a noted authority, who tells us that too much rich food forms acids which almost paralyze the kidneys in their efforts to expel it from the blood. They become sluggish and weaken; then you may suffer with a dull misery in the kidney region, sharp pains in the back or sick headache, dizziness, your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine gets cloudy, full of sediment, the channels often get sore and irritated, obliging you to seek relief two or three times during the night.

To help neutralize these irritating acids, to help cleanse the kidneys and flush off the body's urinous waste, get four ounces of Jad Salts from any pharmacy here; take a tablespoonful in a glass of water before breakfast for a few days, and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help flush and stimulate sluggish kidneys; also to neutralize the acids in the system so they no longer irritate, thus often relieving bladder weakness.

Jad Salts is inexpensive; can not injure and makes a delightful effervescent lithia-water drink. By all means have your physician examine your kidneys at least twice a year.

MO. VALLEY WINS CONFERENCE TITLE

THIS IS LAST YEAR FOR THE M. I. A. A.

KANSAS-NEBRASKA TIE

For Honors In the Missouri Valley Race—A Turbulent Season For Football

The Missouri Valley football team of Marshall, won the undisputed championship of the M. I. A. A. conference by virtue of the William Jewell defeat of Missouri Wesleyan in a 14 to 7 game played yesterday at Cameron. The Missouri Valley team has a clean slate with four conference victories and one tie game with Warrensburg. They did not play any conference games this week.

Missouri Wesleyan was the closest contender in the conference race with a string of seven wins and one defeat.

Maryville rested on the .400 per cent mark with two wins, three defeats and one tie game.

The defeat of Missouri Wesleyan was unexpected by conference dopsters, although William Jewell has long been one of the hardest teams to beat in the conference. Missouri Valley played a short schedule and did not mix with all of the best teams of the conference. This year marks the passing of the Missouri Inter-collegiate Athletic Association and after this season a round robin schedule will be played by the colleges of the state under the Missouri College Athletic Union. The round robin relation between the Colleges of the state will begin with the basketball season this year.

The standings of the M. I. A. A. teams at the close of the football season is as follows:

Team	Won	Lost	Tied	Pct.
Missouri Valley	5	0	1	1.000
Missouri Wesleyan	7	1	1	.875
Springfield	3	1	0	.750
Rolla	1	0	0	1.000
William Jewell	5	2	0	.715
Warrensburg	3	2	1	.600
Maryville	2	3	1	.400
Westminster	2	5	0	.285
Drury	1	3	0	.250
Kirksville	1	3	0	.250
Central	1	4	1	.200
Cape Girardeau	0	1	0	.000
Central Wesleyan	0	1	1	.000
Tarkio	0	2	1	.000
Culver Stockton	0	3	0	.000

With everything pointing to a Kansas University victory at Lawrence yesterday the Missouri Tigers again showed their real merit and the annual Tiger-Jayhawker fray ended 3 to 3. The rating in the Missouri Valley conference ended with the Cornhuskers and Kansas in a tie for first place, both teams having a standing of 1.000; Drake, third; Ames, fourth; Kansas Aggies, fifth; Oklahoma, sixth; Missouri, seventh and Washington, eighth.

The game at Lawrence was really a moral victory to the Tigers for they went into the game with all odds against them and a streaked record, while Kansas has not had her goal crossed this season. McBride of the Kansas City Star had only good things to say for the Tigers:

"The Tigers went into the encounter with all the odds against them and yet, maintained the truth of the saying that anything can happen in this game, they not only held the vaunted Jayhawkers to a tie score, but outplayed their adversaries, and, with an even break with fortune would have chanted a victory anthem."

The Cornhusker aggregation at Lincoln, going into the game with a badly crippled team beat the Kansas Aggies 34 to 12 and finished the season with a clean Valley slate.

One of the most, and in fact the most inconsistent years of football among Missouri Valley teams has come to a close. Unlooked for tie games and heartbreaking defeats featured the season. Dope was upset at every turn. Every Valley eleven had its ups and downs. The 1923 season will go down in history as one never to be surpassed.

HAMILTON GIVES A THANKSGIVING TALK

TO LARGE CROWD AT TABERNACLE LAST NIGHT.

AWARDS GIVEN SUNDAY

In All Sunday Schools — Sunday Is Last Meeting of the Tabernacle Campaign.

In spite of the storm last night there was a good sized crowd at the tabernacle meetings. Appropriate decorations were placed about the platform suggestive of Thanksgiving day, and the service was appropriate to the day. Mrs. F. P. Robinson sang an evangelistic solo, "The End of the Way," which was appreciated very much. Arthur Hamilton announced that Mrs. Robinson would sing several selections at the services during the remaining days of the campaign.

Arthur Hamilton sang, "He Leadeth Me" very effectively. Evangelist O. E. Hamilton delivered one of the greatest sermons of the meeting. It was a Thanksgiving message and dealt largely with the wonderful blessing that are ours because of the Christian religion. He used as the basis of his sermon, "Thanks be to God who giveth us the victory." He drew frequently from his trips abroad for his illustrations of the wonderful contrasts between Christian lands and heathen lands. "Every thing that you enjoy in this land, materially and spiritually you enjoy because Christ is here," he declared. "As a matter of respectability every American should bow the knee and come humbly to his Lord in acknowledgment of these good things. There could be no better way, and perhaps it is the only adequate way in which anyone can fully give thanks o nthis day, is by giving his life of service in return for the good gifts that come from our Heavenly Father."

The weather hindered the delegations attendance in very large numbers last night. Several of the churches were represented, however. Blockton, Ia., had phoned earlier in the week that they would be present last night, but did not arrive. The sermon tonight will be, "Shut Your Ash Pan." This is a sermon usually given to men only, but will be used to the mixed audience tonight. Saturday night, the subject, "Hell," will be discussed, followed by the sermon on Heaven, on the closing night.

Special awards are to be given in all the Sunday Schools next Sunday morning. The youngest child, the oldest person, the largest family, the one coming the farthest, will each receive some award. At the night service Mr. Hamilton will award the ones making the record in the County. As Sunday is to be the last Sunday of the Tabernacle campaign, it is expected that it will mark the largest Sunday School attendance in all the schools of the whole time.

The Maryville Men's Class is hoping to go over the top with their 200. They lacked nineteen of that number last Sunday. The W O A C radio program from Omaha will be enjoyed again at 9 o'clock next Sunday.

Next Sunday night will be the closing service in the tabernacle. At this service the thank offering for Mr. Hamilton will be taken. The personal workers are expecting that these closing services will result in a large number accepting Christ. The follow-up meetings in the different churches will begin on Tuesday night of next week. The complete arrangements for all of them have not been arranged. L. S. Montgomery will begin at Hopkins, and R. E. Snodgrass will begin at the Palestine church. Announcements will be made later of the other meetings.

There will be no more baptizing at the tabernacle. There will be a baptismal service at the church next Monday night when all who have not been baptized will be present.

Tampico Fire Causes Three Million Damage

Tampico, Mexico, Nov. 30.—The fire which swept through the business section of Tampico late yesterday caused an estimated damage of 3 million dollars and is still burning today.

The wind fanned the flames toward the gulf and great warehouses were destroyed.

The fire threw the entire population into panic. The city was in darkness throughout the night as a result of a strike among the light plant employes, which added to the consternation.

All available firemen were employed to check the flames and workmen were called from nearby towns.

Football Fans at St. Joseph.

Among the many persons who went to St. Joseph to attend the Maryville-Maysville football game yesterday afternoon were Mr. and Mrs. Henderson Aley, Misses Elva and Alice Aley, Ralph Aley, Ray Zimmerman, Lee Carpenter, Eleanor Seiler, Robert Aley, Sr., Joe Cornell, Mr. and Mrs. George McMurry and children, Alice, Esther and George, Miss Ora Mae Condon, Mr. and Mrs. Edgar Rhoades, Harve Cockayne, and Roy McMullen.

Miss Bess Scott of St. Joseph spent Thanksgiving in Maryville with her parents, Mr. and Mrs. D. N. Scott.

C. C. Corwin returned yesterday morning from Chicago where he had been spending a few days on business.

Steele McIntire spent Thanksgiving in Burlington Junction with his parents.

WRESTLING MATCH

Over Geo. McMurry's Garage

Monday Night, Dec. 3rd

PRELIMINARIES START AT 8 P. M.

Mervin Barackman vs. Joe Novak

This is the second match between these two men. It will be a finished match. The first bout, Nov. 26, was the hardest that either man ever participated.

Due to the fact that so many seats have been taken already and it is thought that the former seating capacity will be inadequate, the management is installing 100 extra seats in order to take care of the crowd.

Barackman says: "It's going to be the toughest match I ever had." That is enough to explain the capacity of his opponent.

Both men are now in hard training. Ray Chick and Hooley Welch are working out daily with Barackman.
